

### The Client:

sanofi pasteur—Develops new and improved vaccines to prevent and treat a wide range of serious and often deadly diseases

### The Challenge

*Operate a customized onsite health center solution that provides comprehensive nursing and medical services*

### The CHS Response

*Apply 30+ years of best practices to deliver:*

- *Medical care*
- *Exams*
- *Emergency response*
- *Over 600 exams performed onsite in one year*

### The CHS Difference

*CHS integrates onsite medical care with disability management for one unified, proactive approach to employee health to minimize costs and productivity losses*

### The Challenge:

sanofi pasteur chose Comprehensive Health Services (CHS) as its workforce health and wellness partner to staff and manage an onsite health center capable of providing comprehensive nursing and medical services.

### The CHS Response:

CHS recruited and hired staff for the unit, including the required number of nurses and physicians to ensure sanofi pasteur maintains a healthier, more stable and productive workforce. In addition to the medical care administered in the onsite health center, the medical staff at sanofi pasteur also responds to all campus-wide medical emergencies, conducts executive exam programs, and designs and implements proactive wellness promotion and health screening programs. *In one year, CHS performed over 600 medical exams at the onsite sanofi pasteur health center.*

# The CHS Difference

Drawing on CHS' extensive disability capabilities and experience, the onsite health center serves as the hub for coordinating an aggressive disability case management program that minimizes the costs and productivity losses associated with short-term disability and workers' compensation.

## About CHS

Founded in 1975, Comprehensive Health Services, Inc. (CHS) is a leader in the management of nationwide workforce health programs. We offer major corporations and government agencies flexible, customized employee health services, from pre-placement and fitness-for-duty exams to workers' compensation, disability and case management, medical surveillance, and wellness and health promotion programs.

CHS is the only major firm with a broad, three-fold service delivery capability—worksite health programs, an extensive national network of health care providers, and medical readiness teams. This approach enables us to build the most flexible and ideal workforce health programs to fit the special needs of each client's workforce demographics, health risks, and productivity goals. *Our services are available individually, in clusters, or as a single, comprehensive and seamless employee health program.*

Onsite Health Centers
